Remarks

- The driver will arrive at the time shown on the voucher. There is no need to reconfirm the service.

When and where to wait:

You must be ready to be picked up with your luggage about 10 minutes before the pick-up time at the location specified in the notice sent by the local company.

What to do if the car does not arrive?

If the driver does not arrive within a reasonable time frame of up to 10 minutes from the scheduled pick-up time, please contact us immediately before using alternative means of transportation and allow our team to help locate the driver.

Change/update pick up time:

If there is a change in the return flight that requires a change in the pick-up time, we must be notified as soon as the change is received from the airline in order to adjust the pick-up to the new time.

In case of a postponement or advance of the flight on the day of service -
